Global Post Graduate Programme in Management (GPGP) 2024-26

Master of Business Administration (MBA)

The GPGP is designed to prepare future-ready, purpose-driven leaders who can succeed in a constantly evolving business landscape. It is specifically designed for working professionals from all around the world who are seeking to enhance their skills and advance their careers.

The programme follows a modular and hybrid mode of learning, which allows students to balance their work and study commitments. Core courses are delivered on Synchronous and A-synchronous mode of classes to augment students involvement. The student cohort is diverse, providing an opportunity for cross-cultural learning and networking. The programme also offers global exposure through its partner schools, further enhancing the student's learning experience.

Additionally, the programme is flexible, allowing students to complete it within 18 months or over a period of four years. Graduates of the programme are awarded alumni status, which gives them lifelong access to valuable resources and networks.

IIMB: A paradigm shift

Established in 1973, Indian Institute of Management Bangalore (IIMB) is widely acknowledged as one of the premier management institutes in India, with an international reputation for the quality of its post graduate and doctoral programmes. IIMB is an Institute of National Importance located in Bangalore

IIMB is renowned for the excellence of its faculty who have studied and taught at some of the best management schools in India and abroad. Their research regularly appears in leading global publications and academic journals. They bring rich industry, consulting and academic experience to the classroom, creating a stimulating learning environment.

The IIMB campus, spread over close to 100 acres in south Bangalore has striking all-stone architecture, landscaped gardens and world-class infrastructure. Its location in India's high technology capital puts it in close proximity to some of the leading corporations in the country, giving students the opportunity to integrate classroom knowledge with extensive industry interaction.

IIMB's distinctive feature is its strong focus on leadership and entrepreneurial skills that are necessary to succeed in today's dynamic business environment.

VISION

To be a global, renowned academic institution fostering excellence in management, innovation and entrepreneurship for business, government and society

NSRCEL, the startup and innovation hub at IIMB has been helping early stage ventures since 2000. The ideas that NSRCEL supports have been across various stages, sectors, and scope. The startups benefit from the ecosystem of industry experts, mentors, researchers and academicians.
