

## N S Raghuram

---

N S Raghuram, after his graduation from IIMB, PGP Batch of 1995, began his career at ICICI Venture, one of the largest Venture Capital firms in India. While at ICICI Venture he led, managed and exited from investments in the Life Sciences sector – prominent among them being Biocon, Syngene, Medicorp Tech-Matrix Labs and Bangalore Genei.

After seven years at ICICI Venture, he co-founded EurIndia Private Equity Fund, which emerged as the leader in VC Investments in the IT Services / Products sector. Three out of the six companies that EurIndia invested in emerged leaders in their chosen fields of business - Thinksoft Global in Software Testing, Onmobile Global in Mobile VAS and Allsec Technologies in Global BPO, and each of them completed hugely successful IPOs. He is now leading EurIndia's investments in its 2<sup>nd</sup> fund, while stepping into his 20<sup>th</sup> year as a Venture Capitalist.

Raghuram stays in Bangalore with his wife, Ramya (a Chartered Accountant), his parents & two young daughters.
