II.12.The bidder must obtain for himself on his own responsibility and at his own expenses all the information which may be necessary for the purpose of making a tender and for entering into contract and must examine the entire tender document, inspect the site of the work and acquaint himself with all the information about scope and specifications of the work to be done, all his obligations under the contract, local, hydrological and climatic conditions, local and statutory/ Govt. rules and regulations, all other local conditions, means of access to the work, security requirements, restrictions in entry to the Project site, conditions of site of work, nature of the work and all matters pertaining thereto.

II.13.Access to the site will be given during the tender period by appointment on application to the authority issuing the tender. The bidder shall ascertain the location, size and condition of the areas available for his use as working areas and all other information affecting this tender.

II.14.IIMB shall not be responsible and shall not reimburse any expenses which may be incurred, or losses to person or property suffered by any bidder in connection with visits and examination of the site and in the preparation of his tender for submission.

II.15.The bidders must note that information, if any, as regards to the site and local conditions, as contained in these tender documents has been given merely to assist the bidders and is not deemed to be complete.

II.16.The bidders should note and bear in mind that IIMB shall bear no responsibility for the lack of acquaintance of the site and other conditions or any information relating thereto, on its part. The consequences of the lack of any knowledge, as aforesaid, on the part of the bidders shall be at their risk and cost and no charges or claims whatsoever consequent upon the lack of any information, knowledge or understanding shall be entertained or payable by IIMB either during tender stage or during the construction period.

II.17.Only those tenders fully completed in all respects, with the necessary information duly filled-in, signed and sealed on every page, together with all the documents and received by the time and date specified hereunder/hereafter will be considered.

II.18.The rates to be quoted in tender shall be given in Indian Rupees.

II.19.The successful bidder to whom the Work Order will be issued by IIMB, shall have to enter into an Agreement with IIMB - within 15 days of issue of Work Order. The bidder shall bear all expenses which he may be required to incur for the same.

II.20.Any error in description, quantity or rate in Part "B" (Bill of Quantities) or any omission therefrom shall not vitiate the contract nor release the bidder from the execution of the whole or any part of the works comprised therein in respect of rates, specifications or from any of his obligations under the contract.

II.21.In the event of a tender being submitted by a partnership firm, the tender must be signed separately and legibly by each partner or member of the firm, or, in their absence a person holding Power of Attorney on behalf of the firm concerned. In the latter case, a copy of the power of attorney duly attested by a Gazetted Officer must accompany the tender and certified true copy (attested only by Gazetted Officer) of the partnership deed must be enclosed along with the tender submitted by the partnership firm.

II.22.Under no circumstances will a father and his sons or other close relations who have business dealing with one another be allowed to tender for the same Contract as separate competitors. A breach of this condition will render both the parties disqualified from Bidding for the Contract.

II.23.On acceptance of the tender, the name of the accredited representative of the bidder who would be responsible for taking instructions from the Engineer-in-Charge shall be communicated by the bidder.

II.24.While quoting their rates, the bidders are advised to take into account all factors of any fluctuations in the market rates, etc. No claims shall be entertained on this account after acceptance of the tender or during the currency of the contract.

II.25.Before Bidding, the bidders are advised to inspect the site of work and its environments and be well acquainted with the actual working and other prevalent conditions, position of materials and labour, specifications and all other documents which form part of the agreement to be entered into.

II.26.IIMB reserves absolute right to appropriate, deduct, set-off or retain/withhold any amount payable to the bidder under any head of account including earnest money under this contract or any other contract or any other transactions against any sum, which in the opinion of IIMB is due to IIMB under any contract, deal or transaction whatsoever.

II.27.All compensations or other sums of money payable by the bidder under the terms of this contract may be deducted / recovered / adjusted from his security deposit or from any sum which may be due to or become due to bidder by Institute or any accounts whatsoever.

II.28. Security And Protection:

(i) The Bidder shall at his cost, provide any necessary temporary enclosures, gates, entrances etc., for the protection of the work and materials and for altering and adopting same as may be required and removing at completion of the works and making good all works disturbed.

(v) All fences, trees, shrubs, grass, lawn and other surfaces of the buildings or approaches thereto, which are required to be maintained are to be kept free from damage due to operations in connection with the work, at Contractor's expense.

II.29.The Bidder shall work in coordination with the staff of IIMB for the execution of the work.

II.30.Bids shall be deemed to be under consideration immediately after they are opened and until the official intimation of award of contract is made by IIMB to the successful Bidder. If necessary, IIMB will obtain clarification on the tenders by requesting such information from any or all the Bidders, in writing as may be considered necessary, from time to time. Bidder will not be permitted to change the subject matter of their offer after the Tenders have been opened.

II.31.If the bidder firm desires to entrust his affairs to any person, a power of attorney duly authenticated by a Magistrate / Notary / Court / Judge in favour of such person, shall be submitted to IIMB, acceptance of which shall be at the discretion of the Accepting Officer.

II.32.The bidder shall make all arrangements for entering into agreement at his own cost, using IIMB standard format on appropriate stamp paper and execute the same within 15 days from the date of issue of work order. Value of the stamp paper will be informed in the Work Order issued to the successful bidder.

II.33.IIMB will employ other contractors or agencies to execute various other parallel activities relating to the work. The successful Bidder or bidder for this contract shall work in close co-ordination with any other bidder, sub-bidder or agencies engaged by IIMB at site.

II.34.Whenever, the Engineer-in-charge of the work feels it necessary and advises the bidder to produce the bills for any materials whatsoever procured / purchased by the bidder for use and incorporation in the work, the bidder shall produce such bills as a proof of such purchase / procurement from bonafide dealers/manufacturers. Such a demand for producing the bill can be made by the Engineer-in-charge even after use and incorporation of such materials in the work, after clearance by the Engineer-in-charge for the quality of the materials. In the event of such a demand by the Engineer-in-charge for production of bills, the bidder shall not use and incorporate such materials in the work without the prior clearance in writing from the Engineer-in-charge. In case, the bidder fails to produce the bills or uses / incorporates the materials in the work against which bills are advised to be produced, without prior clearance of Engineer-in-charge, no payment against any work under the contract executed by the bidder shall be made.

II.36. Labour Laws to be compiled by the bidder:

II.36.A. The Bidder shall obtain a valid labour license under the Contract Labour (Regulation and Abolition Act, 1970 and the Contract Labour (Regulation & Abolition) Rules, 1971. Before commencement of the work the bidder shall submit to IIMB a copy of the license. He shall continue to have a license until the completion of work.

II.36.B. The Bidder shall also comply with the provisions of the Child Labour (Prohibition and Regulation) Act, 1986.

III. SPECIAL CONDITIONS OF CONTRACT

III.1. The Bidder shall deploy required No. of Technical Personnel for the smooth execution of the contract.

III.2. Site Visit:

The Bidder/s shall visit the site to acquaint himself / themselves with the site conditions and study the specifications in detail prior to Bidding and no claims will be entertained on the ground of ignorance or otherwise of the conditions under which the work shall have to be executed. No cost incurred towards site visit like travelling expenses and accommodation expenses can be claimed. Such expenses are entirely the responsibility of the bidder.

III.3. Site Supervision:

The Bidder shall either himself supervise the execution of the contract or shall appoint competent and experienced Engineers on his own for supervision of the work. Where the Bidder is not a qualified Engineer or even if he is so qualified but in the opinion of the Accepting Authority, cannot give full attention to the works, the Bidder shall at his own expense employ adequate Engineers, as indicated in manpower deployment schedule, to supervise the work and to receive instructions from the Engineer-in-Charge.

III.4. Damage to Service Lines etc.:

Care shall be taken in execution of work so as not to damage service line etc., coming in the way of construction. If any damage is caused to the line, the cost of replacing or repairs shall be borne by the Bidder.

III.5. Work Schedule:

The work schedule shall be submitted on the enclosed activity schedule along with the equipment & manpower mobilization schedule envisaged for timely completion of work within the stipulated time for completion of work.

III.6. Sufficiency of Priced Bill of Quantities and Tender:

On the acceptance of his tender, the Bidder shall forthwith satisfy himself as to the correctness and sufficiency of his tender for the works as well as prices stated in the bill of quantities and the schedule of prices and within seven days of the acceptance of his tender he shall sign the acceptance, which shall be construed and taken as an acknowledgement on his part of his complete satisfaction and acquiescence in the sufficiency of the prices. The amount of the tender shall be the sum at which the Bidder agrees to execute the whole of the works set forth in the bill of quantities.

III.7. Sub-Letting or Sub-Contracting by the Bidder:

a) The Bidder shall not sub-contract the whole of the works. Except where otherwise provided in the contract, the Bidder shall not subcontract any part of the works without

the prior consent of the Engineer in writing. Any such consent shall not relieve the contract from any of his liability or obligation under the contract and he shall be responsible for the acts, defaults and neglects of any sub-bidder, his representative, servants or workmen as fully as if they were the acts, defaults or neglects of the bidder.

- b) Provided that the bidder shall not be required to obtain such consent for
- (i) The provision of labour, or
 - (ii) The purchase of materials which are in accordance with the specifications / standards specified in the contract, or
 - (iii) The subcontracting of any part of the works for which the sub-bidder is named in the contract
 - (iv) The purchase of plants and equipment for execution of the works
 - (v) The hiring of plants and equipment for execution of the works

Any breach of the above conditions shall entitle IIMB / Engineer to rescind the contract.

Provided always that execution of specific works by petty contractors, or on place work basis, under the personal supervision of the bidder, shall not be deemed to be sub-contracting under this clause.

III.8. Tendered or Agreed Rate:

The Bidder shall agree not to petition for revision of rates tendered by him under any circumstances at any stage of the work, either during execution or when the final claims/Bills are settled.

In the event of any error in the description or in the quantity in Schedule 'B' or any omission there from shall not vitiate the Bidder or release the Bidder from the execution of whole or any part of contract comprised therein according to the drawings and specifications, or from any of his obligations under the contract.

III.9. Engineer's Order to Commence Works and as to Non-Delivery of Site:

The Bidder having signed the contract, the Accepting authority will forthwith give him notice to commence the works and the Bidder shall upon receipt of such notice commence the works and carry them on at such point or points and in such portions as the Engineer may direct.

The company shall, with Engineer's written order to commence the works, give to the Bidder the use of so much of the site of works as may, in the opinion of the Accepting authority, be required in order to enable the Bidder to commence and continue to construction of the works, and shall from time to time consider proper in that behalf, but the non-delivery in manner aforesaid of the use of such site, or any portion thereof, shall not vitiate or effect the contract, nor any provision contained in the specification, not entitle the Contractors to any increased allowance in respect of the money.

III.10. Setting out Works Notice:

The Bidder shall set out the whole of the works & be responsible for the correctness of the position, levels & dimensions of several works, according to the drawings & written

instructions of the Engineer. If at any time during the progress of the works any error shall appear or arise in the position, levels or dimensions of the several works, the Bidder, on being required to do by the Engineer, shall at his own expense remove & amend the work to the satisfaction of the Engineer, notwithstanding that he may have been assisted by the Engineer in setting out the same. The Bidder shall observe, perform & comply with the requirements of all statutes & bye-law & shall also serve notices on the authorities having control of the road surfaces before the same are broken up & he shall likewise serve notice on the owners of sewers, drains, water, gas or other mains, electric cables & other things which may be in way affected by the execution of the contract works.

III.11. Power to vary Works:

The Company shall have full power and authority from time to time, and at all times to order works additional to the contract, and to make and issue such further drawings and to give such further instructions and directions as may appear necessary or proper for the guidance of the Bidder and the good and sufficient execution of the contract, the bidder will have to "obey and be bound by the said further drawings, instructions and directions according to the true intent and meaning thereof, and as fully and effectually as though they had accompanied, or has been mentioned or referred to in the original drawings and specification". The Company shall also have power to vary or alter the levels or positions of any of the works, the subject of this contract, or may order any of the works contemplated thereby to be omitted with or without the substitution of any other works in lieu thereof, or may order any work or any portion of the work executed or partly executed, to be removed, changed or altered and, if needed other works shall be substituted in lieu thereof, and the difference of expense occasioned by any such increase, diminution or alteration so ordered and directed shall be added to, or deducted from the amount of the contract, agreeably at the prices for similar work set forth in the bill of quantities or failing which as a derivative to similar works in the schedule of prices attached thereto, and in the absence of such similar work being scheduled, then such work shall be carried out at the rates entered in SSR applicable at IIMB and plus percentage which the total tendered amount bears to the estimated cost of the entire work put to tender.

The Company will in no case become liable to the payment of any charge in respect any such conditions, alterations or deviations, unless the instructions for the performance of the same shall have been given in writing and signed by the Engineer nor unless such instructions distinctly state that the matter thereof is to be the subject of an extra or varied charges, in the work order hereinafter set forth: or unless the claim thereafter shall be made in writing, signed by the Bidder and be made within the week in which the work is executed and the materials used, and before the same shall have been placed out of view, or beyond check or measurement; nor unless the value of any altered or varied works or of any further works, shall wherever practicable, have been determined and settled before such altered or varied or further works shall have been commenced. Such value in case of dispute, shall be ascertained by the Engineer, who shall determine in all cases whether such previous determinations and settlements were practicable or not, and in all cases when he shall consider the same to have been practicable, the Bidder shall not be entitled to make any claim in respect of such altered, or varied or further works. It shall in the opinion of the Engineer, in any special instance become necessary to execute any additional or substituted work, either wholly or in part "By the day" the claim therefore shall not to be recognized unless the Bidder shall have

delivered to the Chief Manager (Infrastructure) within one week day, and so on from day to day a true and exact list of the names, occupations, time and wages of the several workmen engaged during the previous day, on any and every such work in respect of whom a change "By the day" is intended to be made in the next succeeding weekly claim work in respect of whom a change "By the day" shall be made unless, in the opinion of the Engineer, it is impracticable or unreasonable to determine the value of the amount of work in manner otherwise provided for in these General Conditions.

III.12. Works to be executed in Approved Manner:

The works, the subject of the contract, specified and provided for, or that may be necessary to be done to form and complete any part thereof, shall be executed and completed in the best and most substantial manner, with materials of the best and most approved quality of their respective kinds, agreeable to the particulars contained in or implied by the specification, or as referred to and represented by the drawings and memorandum thereon/or as referred to by any of the said further drawings, instructions and directions, and shall be to the full satisfaction of the Engineer. The Engineer shall have full liberty at all reasonable times to inspect and examine the works, materials and workmanship which to him, may appear defective, unfit or improper for the several purposes to which they are applied, or intended to be applied, or are not in accordance with the specifications of the said drawings, memoranda instructions or directions respectively and every such time reject any or all of such works, materials and workmanship.

III.13. Works To Be Carried With Expedition Failing Which The Company May Employ Contractors Without Vitiating The Contract:

The Bidder shall commence to carry on the works with due diligence, and as much expedition as the Engineer in charge may reasonably expect, having regard to the specified time of completion of the whole of the works. In case the Bidder fail to do so or neglect to provide proper and sufficient materials or to employ a sufficient number of workmen to execute the works then the Company shall have full power, without vitiating contract, to take the works wholly or in part of the hand of the Bidder, to engage or employ any other person or workmen, and to procure all requisite materials and implements for the due execution and completion of the said works and the costs and charges incurred by the Company in so doing shall be ascertained by the Accepting Officer and be competent for the company to deduct the amount of such costs and charges along with overheads out of any sum or sums due or to become due from the Company to the bidder under this or any other contract.

III.14. Emergency Powers:

In the event of any accident or failure occurring in or on the works which in the opinion of the Engineer, requires immediate attention either during the construction or during the period of maintenance, the company may, by their own or other workmen make necessary repairs at the expense of the Contractors.

III.15. Precaution Against Injury To Property Adjacent To Works In Progress:

The Bidder shall take special care, by the erection of temporary fences, and by every other means which circumstances may render necessary to prevent all injury and

damage to or trespass upon the lands, roads, fences or property adjacent to the site of works, and he shall confine the passage of his workmen to existing public roads and footpaths. He shall likewise pay and satisfy all claims whatsoever and from whomsoever, for temporary occupation, way leaves, damages, trespass or otherwise, in reference to the said lands, roads, fences and property adjacent, and bear the company harmless from any and all such claims. If any greater extent of lands than the site or works be required by the Bidder for his operations, he shall obtain and occupy the same at his own cost and charge.

III.16. Extension Of Time:

If the Bidder shall desire an extension of time for the completion of the work on the ground of his having being unavoidably hindered in its execution in consequence of altered, additional or substituted work, or any other ground, he shall apply in writing to the Engineer in charge within seven days of the hindrance on account of which he desires such extension as aforesaid and the Accepting Authority shall, if in his opinion (which shall be final) reasonable grounds be shown therefore, authorize such extension of time, if any, as may, in his opinion be necessary or proper.

III.17. Rejected Material:

All rejected material will at once be removed from the site by the Bidder to such distance as may be desired.

III.18. Scope Of Completion:

Completion includes completion of all works in accordance with plans and specifications, removal of all yard mess accumulated during construction, levelling and cleaning up the site.

On intimation from the Bidder about the completion, the works will be inspected by the Engineer-in-charge and a completion certificate will be issued.

III.19. Sign Board And Hoardings:

The Bidder shall not affix to place any placards or advertisement of any description or permit the same to be affixed or place in or upon any hoarding, gantry, building/structure other than that approved by the ENGINEER IN-CHARGE.

III.20. Scientific And Measuring Instruments:

Total station, Theodolite, leveling instruments, prismatic compass / chain, steel and metallic tapes and all other surveying and material testing instruments found necessary on the works shall be provided by the Bidder at his expense for the due performance of this contract as instructed by the Engineer-in-Charge.

III.21. Measurements Of All Concealed Items To Be Recorded Prior To Covering Up:

Measurements of all items of work including extra items if any, such as, work in foundations including excavations, plinth filling, masonry concrete etc., steel in all RCC

works, pipe to be encased etc., shall be got recorded from the authorized Engineer-in-Charge by the Bidder before they are covered up. Immediately the work is ready for measurements, Bidder will give specific notice to Engineer-in-Charge on site for recorded the measurements.

If the Engineer fails to record the measurements the Bidder will refer the matter to the Chief Manager (Infrastructure) for instructions, but in no case shall he cover up the work without the permissions.

III.22. Damage To Persons and Property

The Bidder shall be responsible for all injury to persons, animals or things and for all structural and decorative items, damages to property which may arise from the operation or neglect of himself or of any nominated sub-bidder or any employees, of either, whether sub injury or damage arises from carelessness, accident or any other cause whatsoever in any way connected with the carrying out of his contract and hold it harmless in respect of all and any expenses arising from any much injury or damage to persons or property as aforesaid and also in respect of injury or damage under any Act of any legislature or otherwise and also in respect of any award of compensation or damage consequent upon such claim.

III.23. Damage & Loss to Private Property & Injury To Workmen

The Bidder shall at his own expense reinstate and make good to the satisfaction of the Engineer-in-Charge, in respect of any such injury (including claim resulting in death), loss or damage to any person whosoever or property including all claims which may arise under the Workmen's Compensation Act or otherwise.

III.24. Attention:

- (i) The Bidder shall visit the site prior to tender, as no claims will be allowed on the ground of ignorance of the conditions under which work shall be executed.
- (ii) Time will be the essence of the contract and the Bidder is to complete the whole of work in the time stated in the tender, subject to the schedule of conditions.
- (iii) The Bidder is to provide at all times during the progress of work and the maintenance period, proper means of access, with ladders, gangways etc., and the necessary attendants to move and adopt as directed for inspection of their representatives. No separate rate will be allowed.
- (iv) The Bidder is to keep all persons under his control and within the boundaries of the site, and he will be held responsible for the care of the works generally until their completion including all works executed and materials deposited on the sites by himself or suppliers, together with all risks arising from weather, carelessness of apprentices, damage or loss by thefts or by any other cause and is to allow for all necessary watching and protective lighting.

III.25. Local Conditions

a) Each Bidder shall acquaint himself with the local conditions and factors which would have any effect on the performance of the contract and the cost of item of works. IIMB shall not entertain any request for clarification from the Bidder regarding such local conditions. No request for change of price or time schedule for completion of work shall

be entertained after the acceptance of offer by IIMB. The Bidder can visit the place of proposed work to understand the site conditions and correct appreciation of volume of work to be done.

b) The Bidder shall work in coordination with the departmental staff of IIMB for the execution of the work.

c) In case any of the information furnished by the Bidder is found to be false or any adverse points come to light subsequent to the Agreement, IIMB, at its discretion, may choose to terminate the Contract, at any time. The decision of IIMB in this regard shall be final and binding.

III.26. Interested Bidders shall submit their offer as per the conditions set forth in the Tender document, which includes the stipulations contained in the GCC, SCC, Specifications, etc. or the latest correction slips, as amended from time to time, if applicable, which shall form part of the Contract.

III.27. Acceptance of Tender

a) IIMB may accept the Tender wholly or in part or reject any tender without assigning any reason whatsoever and may not accept the lowest or any tender. The Bidder shall not demand any explanation for the rejection of his tender. Acceptance of tender will be communicated by a formal acceptance letter (by registered post) directly to the Bidder.

b) The Successful Bidder shall execute a Contract with IIMB, for carrying out the Work. The address of the Contractor as given in the agreement will be deemed as their business address and all correspondence sent to that address by IIMB shall be deemed delivered to the Contractors in the ordinary course by post.

c) IIMB does not undertake to assign reason for declining any particular tender. The accepting authority also reserves the right to accept in full, or a part thereof or reject the tender or to divide the tender among more than one Bidders if deemed necessary without assigning any reason.

III.28. Adequate Safety Precautions shall be taken by the Contractor to ensure the Safety of the workmen engaged by him.

III.29. PROGRESSIVE EXECUTION:

The Bidder/s shall agree to execute the work progressively in coordination with the concerned Officers of IIMB and as directed by the Engineer-in-Charge.

III.30. DEVIATIONS AND AMENDMENTS:

Bidder shall execute all the works referred to in the tender documents upon the terms and conditions contained or referred to therein and as detailed in the Schedule and also carry out such deviation as may be ordered.

III.31. PRICING OF DEVIATION:

The following order of precedence for pricing deviations are binding on the Contractors.

- a) Deviations will be priced at Schedule rates where the item is already included in Schedule.
- b) In respect of items not included in Schedule but where similar items are found in Schedule at rates directly from Schedule items where such a direct derivation is possible.
- c) Where the rate cannot directly be derived from the Schedule the same will be worked out with reference to Schedule and standard schedule of rates (with the percentage of application over and above the same as approved.)
- d) Where it is not possible to derive the rate from the standard schedule of rates, the same will be based on the actual cost to the Bidder plus a profit of 10%. In this case the Bidder has to produce satisfactory evidence / vouchers as proof of expenditure.

III.32. TIME AND EXTENSION FOR DELAY:

The time allowed for execution of the Works or the extended time in accordance with these conditions shall be the essence of the Contract. The execution of the works shall commence from such time period as mentioned in the work order or from the date of handing over of the site whichever is later. If the Bidder commits default in commencing the execution of the work as aforesaid, IIMB shall without prejudice to any other right or remedy available in law, be at liberty to forfeit the earnest money absolutely.

III.33. BIDDER ACTION UPON DELAY DUE TO VALID REASONS:

- i. Force majeure, or
- ii. Abnormally bad weather, or
- iii. Serious loss or damage to the property, or
- iv. Civil commotion, local commotion of workmen, strike or lookout, affecting the work, or
- v. Any other cause which, in the absolute discretion of the Engineer-in-Charge is beyond the Bidder's control.

Then upon the happening of any such event causing delay, the Bidder shall immediately give notice thereof in writing to the Engineer-in Charge but shall nevertheless use constantly his best endeavors to prevent or make good the delay and shall do all that may be reasonably required, to the satisfaction of the Engineer-in-Charge to proceed with the works.

Request to rescheduling of milestones and extension of time, to be eligible to consideration, shall be made by the Bidder in writing within fourteen days of the happening of the event causing delay on the prescribed form. The Bidder may also, if practicable, indicate in such a request the period of which extension is desired.

In any such case the Engineer-in-Charge may give a fair and reasonable extension of time and reschedule the milestones to completion of work. Such extension shall be communicated to the Bidder by the Engineer-in-Charge in writing, within 3 months of

the date of receipt of such request. Non application by the bidder to extension of time shall not be a bar for giving fair and reasonable extension by the Engineer-in-Charge and this shall be binding on the bidder.

In such case the Accepting Officer may grant fair and reasonable extension in the completion dates of individual items or work for which the separate period of completion is mentioned in the contract documents or work order as applicable. Upon the happening of any such event causing delay, the Bidder shall immediately give notice thereof in writing to Engineer-in-Charge but shall nevertheless use constantly his best endeavor to prevent or make good the delay and shall do all that may reasonably be required to the satisfaction of the Engineer-in-Charge to proceed with the works extension of time as granted above shall be communicated to the Bidder by the Engineer-in-Charge in writing and shall be final and binding.

No claims in respect of compensation or otherwise, however, arising as a result of extension granted shall be admitted.

III.34. FORCE MAJEURE:

If, at any time during the currency of the contract, the performance of any obligation (in whole or in part) by IIMB or the Bidder shall be prevented or delayed by reason of any war, hostilities, invasion, acts of public or foreign enemies, rebellion, revolution, insurrection, civil commotion, sabotage, large scale arson, floods, earth quake or any other act of God, large scale epidemics, nuclear accidents, any other catastrophic unforeseeable circumstances, quarantine restrictions, any statutory, rules, regulations, order or requisitions issued by a Government department or competent authority (hereinafter referred to as "event") then, provided notice of the happening of such an event is given by either party to the other within 21 days of the occurrence thereof.

- a) The obligations under the contract shall be resumed as soon as practicable after the event has come to an end or ceased to exist.
- b) In case of doubt or dispute, whether a particular occurrence should be considered an "event" as defined under this, clause the decision of the Engineer shall be final and binding.
- c) If the bidder is foreclosed under this clause, the Bidder shall be paid fully for the work done under the contract, but not for any defective work or work done which has been destroyed or damaged before its measurement. The Engineer shall have the option to take over any plant and material lying at site, at rates provided for in the contract, failing that, as per rates which are determined to be fair and reasonable by the Engineer.

If no notice is issued by either party regarding the event within 21 days of occurrence, the said event shall be deemed not to have occurred and the contract will continue to have effect as such.

III.35. PENALTY FOR DELAY IN EXECUTION:

In case of failure on the part of Bidder to complete the work and clear the site on or before the time stipulated in the contract or the extended date / period of completion, the Bidder shall, without prejudice to any other right or remedy of the Company on

account of such breach, pay penalty as compensation @ **1.0 %** per week on unfinished work/balance work upto a maximum of **10 %** of the value of work order.

The amount of compensation may be adjusted or set off against any sum payable to the Bidder under this or any other contract with IIMB.

If the bidder makes good the shortfall on works within the stipulated time or extended time of completion, penalty may be refunded on receiving written application from the bidder.

III.36. CANCELLATION OF CONTRACT FOR BIDDER DEFAULT:

If the Bidder:

- a) Makes default in commencing the work within a reasonable time from date of handing over of the site and continues in the state after a reasonable notice from ENGINEER IN-CHARGE.
- b) In the opinion of the Engineer-in-Charge at any time, whether before or after the date or extended date for completion, makes default in proceeding with the work, with due diligence and continues in that state after a reasonable notice from Engineer-in-Charge.
- c) Fails to comply with any of the terms and conditions of the contract before or after reasonable notice in writing, orders properly issued thereunder, or
- d) Fails to complete the work, work order and items of work with individual dates for completion and clear the site on or before the date of completion.

The Accepting Officer may, without prejudice to any other right or remedy which shall have accrued or shall accrue thereafter to IIMB cancel the contract as a whole or in part thereof or only such work order or items of work in default from the contract. Whenever the Accepting Officer exercises his authority to cancel the contract as a whole or in part under this condition, he may get completed the work at the Contractors risk and cost, provided always that in the event of the cost, of completion (as certified by Engineer-in-Charge which is final and conclusive) being less than the contract cost, the advantage shall accrue to the IIMB. If the cost of completion exceeds the money due to the Bidder under this contract, the Bidder shall either pay the excess amount ordered by Engineer-in-Charge or the same shall be recovered from the Bidder by other means.

In case IIMB completes the work or any part thereof under provisions of this condition the cost of such completion to be taken into account for determining the excess cost to be charged to the Bidder under this condition, it shall consist of the cost of materials purchased / and / or labour provided by IIMB which on addition of such percentage to cover superintendence and establishment charges as may be decided by the Engineer-in-Charge whose decision shall be final and conclusive.

III.37. FORECLOSURE OF CONTRACT FOR ADMINISTRATIVE REASONS:

IIMB reserves the right to terminate the contract at any time after acceptance of the tender if IIMB decide to abandon or reduce the scope of work for any reason whatsoever

and hence not required the whole or any part of the works to be carried out, the Engineer-in-Charge shall give notice in writing to that effect to the Contractors. The compensation if any payable for such foreclosure of work will be discussed mutually between IIMB and Bidder and settled after taking into consideration the loss suffered by the Bidder on account of the foreclosure of the contract. The Bidder shall have no claim to any payment of compensation or otherwise whatsoever on account of any profit or advantages which he might have derived consequent on foreclosure of the whole or part of the works. IIMB shall have the option to take over the Contractors materials or any part thereof, either brought to the site or to which the Bidder is legally bound to accept the delivery from the suppliers.

The amount of compensation payable to the Bidder due to foreclosure will be decided by the competent authority of IIMB.

III.38. ENCLOSURES:

General Conditions, Special Conditions of contract, Tender Notice, Instructions to Bidders together with Technical Specifications, BOQ will form part of the contract. Should there be any discrepancy between the provision in the Bill of Quantities & drawings the former shall be deemed to take precedence there over.

III.39. MODIFICATION OF SPECIFICATIONS:

No modifications or changes of specification in the Bill of Quantities will normally be accepted & such specification and rates are liable to be rejected.

III.40. MEASUREMENTS OF WORK DONE:

Engineer-in-Charge shall, except as otherwise provided, ascertain and determine by measuring the value in accordance with the contract of work done.

All measurement of all terms having financial value shall be entered in Measurement book and / or level field book so that complete record is obtained of all works performed under the contract.

All measurements and levels shall be take jointly by the Engineer-in-Charge or his authorize representative and by the bidder or his authorized representative from time to time during the progress of the work and such measurements shall be signed and dated by the Engineer-in-Charge and the bidder or their representative in token of their acceptance. If the bidder objects to any of the measurements recorded, a note shall be made to that effect with reason and signed by both the parties.

If for any reason the bidder or his authorized representative is not available and the work of recording measurements is suspended by the Engineer-in-Charge on his representative, the Engineer-in-Charge and the Department shall not entertain any claim from bidder for any loss or damages on his account. If the bidder or his authorize representative does not remain present at the time of such measurements after the bidder or his authorized representative has been given a notice in writing three (3) days in advance or fails to countersign or to record objection within a week from the date of the measurement, then such measurements recorded in his absence by the Engineer-in-Charge or his representative shall be deemed to be accepted by the Bidder.

The bidder shall without extra charge, provide all assistance with every appliance, labour and other things necessary to measurements and recording levels.

Except where any general or detailed description of the work expressly shows to the contrary measurements shall be taken in accordance with the procedure set forth in the specifications notwithstanding any provision in the relevant standard method of measurement issued by the Bureau of Indian Standards and if for any item no such standard is available, than mutually agreed method shall be followed:

The bidder shall give, not less than seven days' notice to the Engineer-in-Charge or his authorized representative in-charge of the work before covering up or otherwise placing beyond the reach of measurement any work in order that the same may be measured and correct dimensions thereof be taken before the same is covered up or placed beyond the reach of measurement and shall not cover up and place beyond reach of measurement any work without consent in writing of the Engineer-in-Charge or his authorized representative in -charge of the work who shall within the aforesaid period of seven days inspect the work and if any work shall be covered up and placed beyond the reach of measurement without such notice having been given to the Engineer-in-Charge's consent being obtained in writing the same shall be uncovered at the Bidder's expense, or in default thereof no payment or allowance shall be made to such work or the materials with which the same was executed.

Engineer-in-charge or his authorized representative may cause either themselves or through another officer of the department to check the measurements recorded jointly or otherwise as aforesaid and all provisions stipulated herein above shall be applicable to such checking of measurements or levels.

It is also a term of his contract that recording of measurement of any term of work in the measurement book and/or its payment in the interim, on account or final bill shall not be considered as conclusive evidence as to the sufficiency of any work or material to which it relates nor shall it relieve the bidder from liabilities from any over measurement defects noticed till completion of the defects liability period.

And

_____, an organization duly incorporated under the applicable laws of India and having its office _____, represented by its Proprietor _____ hereinafter called the "Contractor" (Which expression shall include its successors and assigns wherever the context or meaning shall so require or permit) of the **Other Part**.

IIMB, and the Contractor shall be individually referred to as "**Party**" and jointly referred to as "**Parties**".

Whereas

IIMB has, through the Tender dated _____ invited reputed contractors for executing the works in connection with "**NAME OF WORK**".

- The Contractor, being the successful contractor has been issued the Work Order dated _____ bearing number _____.
- IIMB and the Contractor agree to bind themselves on the terms and conditions hereinafter mutually agreed to.

Hence this Agreement is now made and entered into and both the Parties agree as follows:

Scope of Work: The Scope of Work shall be as per the stipulations contained in the Work Order bearing number _____ dated _____, and the terms contained in the Tender documents on "**NAME OF WORK**" dated _____. The approximate value of the project, as per the Work Order is Rs _____ (Rupees _____ Only) exclusive of applicable GST.

1. Term: Time is the essence of the Contract. The Contractor shall execute and fully complete all the works specified in the Work Order, i.e., within _____ from the date stipulated in the Work Order and in the manner and pursuant to the terms, obligations and conditions set forth herein and in the said Tender and Work Order.

2. Penalty for delay: In case the work is not completed in the manner mentioned above, and to the complete satisfaction of IIMB, the Contractor shall, without prejudice to any other rights and remedies of IIMB, pay a penalty of **minimum 1.0% to maximum 10%** of the value of the unfinished or balance of the work. IIMB shall decide the percentage of penalty after considering the unfinished or balance of the work at that point of time and the percentage of penalty shall vary for each week of such delay in completion of the work.

3. Payment Terms: In consideration of the work done under this Agreement, IIMB agrees to pay the Contractor as set forth in the Tender in that behalf. The Contractor shall be responsible for payment of all applicable Taxes on the works contract.

- i. The Contractor shall promptly raise an invoice to IIMB on the completion of work as per the Tender terms before the end of the particular month.
- ii. IIMB shall pay such invoice within thirty (30) working days from the date of receipt of the undisputed invoice.
- iii. On receipt of the Final payments, the Contractor shall furnish a "No DUE Certificate" to IIMB.

4. Obligations of Contractor:

- a. The Contractor shall take all appropriate and reasonable efforts to complete the work at IIMB to the satisfaction of IIMB in a timely and effective manner.
- b. The Contractor shall comply with all the Terms of this Agreement.
- c. The Contractor shall be responsible for complying with all the applicable Laws and IIMB shall not be held liable for any default of the Contractor in this regard.
- d. The Contractor shall ensure that all employees, workers, consultants etc., engaged pursuant to this Agreement at IIMB are its employees. The Contractor shall be solely responsible for payment and provision to those employees and personnel of salaries, wages, allowances and all applicable benefits such as EPF, ESI under the applicable law for the time being in force.
- e. The Contractor shall complete the work to the satisfaction of IIMB as per the instructions of the authorized officer of IIMB.

5. Security Deposit (SD): 5% of the gross value of the bill will be deducted as security deposit from monthly bills. Such security deposit deducted from monthly bills, will be refunded at the end of defects liability period deducting the claims if any.

6. Return of Earnest Money Deposit: Earnest Money Deposit will be returned along with the Security Deposit after completion of Defects Liability Period.

7. Indemnity: The Contractor shall be responsible for any accident and all compensation payable to anybody including contract labour employed by or out of the Agreement or arising out of and in the course of execution of this Agreement. IIMB shall not be responsible or liable for making any payment whatsoever, which is to be made by the Contractor. If for any reason IIMB is made liable to pay compensation for any

accident arising out of and in the course of execution of this Agreement, the Contractor shall indemnify IIMB to the fullest extent of compensation awarded or ordered by any Authority.

In the event of the non-fulfilment in any respect of the said covenant's, terms, obligations and conditions on the part of the Contractor, the Contractor shall pay IIMB, all losses, damages, costs, charges and expenses, including legal expenses as IIMB may be directly or indirectly put to in consequence of such non-fulfilment by the Contractor.

8. Confidentiality: Both the Parties hereby undertake that under no circumstances whatsoever they shall disclose any of the Terms of this Agreement and all or any Confidential Information belonging to the other like financial plans, business plans, and others, declared confidential to which they might have access during the association with one another in terms of this Agreement, except to the extent that is already in public knowledge/domain. The Confidential Information as hereinabove detailed shall not be disclosed during the subsistence of this Agreement and thereafter for a period of five years from the date of termination for whatever reason.

9. Termination: If the Contractor fails to perform the work set out in this Agreement within the stipulated period of time or carry out the work to the satisfaction of IIMB, IIMB shall terminate the Agreement as a whole or a part thereof at the risk and cost of the Contractor, without prior notice.

10. Consequence of Termination: In the event of termination of this Agreement, the parties agree to promptly deliver all the deliverables applicable to the fullest extent conceived, created or developed prior to the date of termination.

In case of termination due to the material breach of the terms of this Agreement by the Contractor, IIMB shall get the balance work executed through a third party and recover from the Contractor all the additional costs incurred by and damaged caused to IIMB in procuring such services from any other third party.

11. Arbitration: In the event of any dispute arising out of or in connection with this Agreement, the Parties agree to resolve the disputes amicably, failing which the disputes shall be referred to Arbitration. The Arbitrator shall be appointed by the Director of IIMB. The venue of Arbitration shall be at Bangalore.

12. Applicable Law and Jurisdiction: This Agreement shall be governed and construed in accordance with the Indian Laws and subject to the exclusive jurisdiction of competent courts at Bangalore, India.

13. Miscellaneous:

a. **Relationship of Parties:** Nothing contained in this Agreement shall be construed as creating a partnership between the Parties or as deeming either Party as an agent or representative of or employee of the other. Neither Party may act as the agent of the other Party or incur any liability on behalf of the other Party.

b. **Assignment:** This Agreement shall not be assigned, sublicensed, sold, mortgaged, sub-contracted, or pledged to any other third person by the Contractor without the prior written consent of IIMB.

c. **Publicity:** Both the Parties shall be entitled to issue or make any press releases or other public announcements relating to this Agreement. However, all press releases or other public announcements relating to this Agreement must be approved in advance and in writing, in each instance, by both the Parties.

d. **Notice:** All notices, including notice of address change, required to be sent hereunder shall be in writing.

e. **Severability:** If any provision of the Agreement is or becomes invalid or impracticable in whole or part, the validity of the other provisions of this Agreement shall not be affected thereby. The invalid provisions shall be replaced by valid provisions that come closest to the economic intention pursued by the Parties.

f. **Amendments:** This Agreement may only be modified by mutual consent in writing, signed by the authorized representatives of each Party.

g. **Force Majeure:** No Party shall be in default under this Agreement by reason of its failure or delay in the performance of its obligation if such failure or delay is caused by acts of God, Government Laws and Regulations, Strikes/lock-outs at the venue, war, natural calamities or any other cause beyond its control and without its fault or negligence.

The Party claiming the relief under force majeure shall notify the other Party thereof without undue delay and if the impediment continues for more than three (3) months due to such causes as mentioned above, either party shall be entitled to terminate the Agreement by written notice to the other party without incurring any liability for breach of contract.

h. **Entire Agreement:** The terms and conditions contained in the following documents are deemed to form part of this Agreement, namely, the Tender document including the Notice Inviting Tender, General Conditions, Special Conditions, the Specifications, the Priced Bill of Quantities, the Schedule of rates and prices, and the Drawings mentioned in the Specifications. The letter of Acceptance, Work Order and all the communication between the Parties will also form part of this Agreement.
